

Congratulations on Getting to the Finals

While you sit back and watch your son/daughter compete in the CYO Rockland County Basketball finals, Albertus Magnus High School will be taking action pictures of your team's game.

We will put the pictures on a CD and sell them for \$15.00 per CD. Each disc holds between 110-125 pictures. The pictures will include action shots of your game. Each photographer will focus only on your team. It will be like receiving a slide show of your child's game that you can watch over and over.

Here's a sample of the action pictures taken at Albertus of our Boy's Varsity team.

A table will be set up outside the gym to purchase your CD of the pictures.

Have a lasting memory of your son/daughter's game.
